

Corrigé Worksheet 21 Book p. 111

<i>Victoria</i> (since 2016)	This series is based on the life of a British queen who reigned from 1819 until her death in 1901. Her reign was so long that her first name is commonly used today to talk about the 19 th century.
<i>Game of Thrones</i> (2011-2019)	This popular series is set in a fantasy world and is an adaptation of <i>A song of ice and fire</i> : a series of fantasy novels written by George R.R. Martin. Even people who have not seen it may know the famous sentence "Winter is coming".
<i>The Hollow Crown</i> (2012-2016)	Adapted from Shakespeare's history plays, the title of this series is actually a line from <i>Richard II</i> , one of Shakespeare's plays.
<i>The Windsors</i> (since 2016)	This comedy series is a parody of the British royal family. It is set in modern times and although it is fictional, it is inspired by real events.
<i>The Last Kingdom</i> (since 2015)	Set in the 9 th century AD when England was divided into 7 separate kingdoms, this series is based on <i>The Saxon Stories</i> , a series of novels by Bernard Cornwell.
